During the year 1947 Peaked Hill Fire Department was called to the following fires: Residence of Harry Chamberlain, residence of E. W. Kimball, Cram place owned by Ralph Jones, chicken house at residence of Albert Clark. Creamery building owned by Edwin Eveleth. Chimney fires at the homes of Herbert Beede, Howard Langley and Robert Zanes, also four other chimney fires. In only two cases were buildings totally destroyed and due to the splendid work of the fire department nearly \$50,000.00 of assessed valuation was saved.

MINUTES OF MEETING OF SCHOOL DISTRICT

Meeting called to order at 7:45 p.m. and the warrant read.

1. Voted Fred L. Thompson be elected Moderator for the ensuing year by one ballot cast by the Clerk.

2. Voted Hattie P. Kelley be elected Clerk for the ensuing year by one ballot cast by the Moderator.

3. Voted Florence M. Durgin be elected Treasurer for the ensuing year by one ballot cast by the Clerk.

4. Voted Art. 4 be laid on the table until after the discussion of the budget.

5. Voted not to accept the report of the School Board as it appears in the town report. Relative to the question concerning the Smith Meeting House school building, the Moderator read letters from Superintendent Mattoon to the Executive Committee of the First Congregational Society of Gilmanton and from Harold G. Page for the Executive Committee to Superintendent Mattoon stating that the First Congregational Society did not wish to accept a lease of the school building. Voted to accept the report and lay it on the table.

The report concerning the Academy building showed a reserve fund of \$600.00. Voted to postpone consideration of this report until discussion of the Academy question.

6. Voted Velena V. Bennett be elected auditor for the ensuing year by one ballot cast by the Clerk.

Voted Harry W. Besse be elected auditor for the ensuing year by one ballot cast by the Clerk.

7. Voted the District officers' salaries be \$125.00 for the ensuing year.

8. Voted to raise and appropriate \$17,125.06 for the support of the public schools and the payment of the statutory obligations of the District.

9. Voted the School Board will not have authority to pay a rate of tuition in high schools in excess of the state average cost of instruction.

10. Voted the District will not elect to have its officers and employees become eligible to participate in the State Employees' Retirement System.

11. Voted to indefinitely postpone the question of authorizing the School Board to apply for and accept any Federal funds available for the payment of architectural services.

12. Voted to accept proposals of the Trustees of Gilmanton Academy using the building for the same purpose as it is at present but not for further consolidation without a vote of the District.

13. Voted the question of the District appropriating money for the School Board to purchase land for school purposes be laid on the table.

14. Voted the District appropriate \$2,633.00 to be made available May 1, 1947, as an operational deficit in the school year 1946-47.

REFERRING TO Article 4.

Thomas S. Edwards having received the majority of all votes cast was declared elected Member of the School Board for the ensuing three years.

15. Voted the School Board be instructed to ask for bids on contract for all transportation both for private cars and drivers of District buses.

Voted the School Board be instructed to keep within its budget for 1947-48.

Voted the minutes of this meeting be published in the Town Report.

There being no further business it was voted to adjourn.

HATTIE P. KELLEY,

Clerk.

To the Inhabitants of the School District in the town of Gilmanton qualified to vote in district affairs:

You are hereby notified to meet in the Town Hall in said district on Monday, March 1, 1948, at 7:30 p.m. to act on the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a member of the School Board to hold office for three years, to fill the vacancy arising from the expiration of the term of office of Elsie L. Evans.
5. To hear the reports of Agents, Auditors and Committees or officers heretofore chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
7. To determine and appoint the salaries of the School Board and other district officers.
8. To see if the district will vote to make any alterations in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the School Board in its annual report.

9. To see if the district will vote to authorize the School Board to pay a rate of tuition in high schools in excess of the state average cost of instruction.

10. To see if the district will vote to elect to have its officers and employees become eligible to participate in the State Employees' Retirement System.

11. To see if the district will raise, appropriate and make available to the School Board by April 15, 1948, the sum of One Thousand Six Hundred Thirty-four (\$1,634.00) Dollars, as an operational deficit in the payment of a sixth teacher's salary in the 1947-48 school year.

12. To see if the district will vote to raise and appropriate one-half of one per cent of the assessed valuation, and establish a capital reserve fund for the construction of a central school on a site to be determined by vote of the district at a subsequent annual meeting.

13. To see what sum of money the district will raise and appropriate for the School Board to purchase land for school purposes in conjunction with new construction or alterations to existing school plants.

14. To see what action the district will take in accepting buildings offered for sale by the War Assets Administration at 95 per cent discount from fair value, and to raise and appropriate money for the same.

15. To see what sum of money the district will vote and appropriate for the purchase of pasteurized milk for the school lunches.

16. To transact any other business that may legally come before this meeting. Given under our hands in said Gilmanton this 22nd day of January, 1948.

Report of the Superintendent of Schools

To the Members of the School Board, Parents, and Voters in the Gilmanton School District:

If given free rein, the thinking of men can release the most treacherous forces—illwill, discontent, turmoil, suspicion, disbelief, hatred, and strife, or it can create the greatest blessings. The record of the ages is that a balance has always been struck between evil and good. Panics, disorders, misery, and wars give way to rule by and respect for laws and agreements, human betterment, peace and opportunities for folks to live their lives in freedom, rear their families, and honor spiritual attributes—eternal values.

The schools, now buffeted temporarily by the tensions and complexities of the times, stand for and promote programs designed to advance a race or nation of young people who are strong in body, alert in mind, straightforward in purpose, and calm in inner life.

Facilities, materials, personnel, and funds are needed to provide for the accomplishment of the school's goals. This report will describe some of the steps which are being taken to attain the ideals for which we strive.

Buildings and Equipment

The safety of pupils in the school buildings, on the buses, and on the school grounds is of major concern. Fire drills have been held frequently and pupils trained to care for themselves both during such exercises and in the event of an emergency.

Survey of School Plants

The School Board has requested the State Board of Education, and through that body, other State departments or agents, to make a survey of its school facilities and needs.

It is anticipated that various residents of Gilman-
ton will be invited to take part in the school survey. On December 10, 1947, Mr. Russell H. Leavitt, Chief of the Division of Instruction, and Mr. Paul E. Far-
rum, Chief of Administrative Services, were in Gil-
manton to initiate the survey. In January, 1948, citi-
zens, State agents, and school board members will meet
to discuss various aspects of schools, buildings, trans-
portation, and future prospects. A report may be
made at the annual district meeting in 1948.

Gale School

Attorneys for the School Board have reported on
the ownership of land where the Gale School sets. As
shown in Belknap County records, Dudley Prescott
deeded a tract of land about the Gale School building
to Nathaniel Gale on Nov. 14, 1794, and Nathaniel S.
Gale transferred title to a tract of land to Owen J.
Edgerly on Aug. 21, 1861. In deeds there is a refer-
ence to the "schoolhouse lot". It has not been found
that Nathaniel S. Gale's heirs have disposed of this
tract, nor can it be proved that either the Town of
Gilman-
ton or the Gilman-
ton School District has a deed
to the school grounds, though a school building has
occupied the land for many years.

Accordingly, the Gilman-
ton School Board adver-
tised to sell the Gale School building. Bids were
opened on August 19, 1947, and purchase was made
by Mr. William J. O'Connell, 60 Congress Street,
Amesbury, Mass. The School Board gave a bill of sale
to the building and a Quitclaim Deed to the land in
exchange for a payment of \$477.50 by Mr. O'Connell
in September.

Smith Meeting House School

By District action under Article 10 of the Warrant used on March 9, 1946, the School Board leased the Smith Meeting House School for a period of years to the Executive Committee of the First Congregational Society of Gilmanton for a rental fee of \$1 per year. The lease was effective in May, 1947, and permitted the Executive Committee to sublease the school building under conditions similar to those set forth in the lease to the Society. The Society sublet the structure to the American Legion Post for use as Post Headquarters.

Offer of Gilmanton Academy

At the last school district meeting, the Trustees of Gilmanton Academy, through the Executive Committee, offered to the Gilmanton School District the trust funds, building and lot on which it stands, and any other property of the Academy, under certain conditions:

"1. That the School District proceed at its own expense to put the exterior of the Academy building in as good condition as it was when it entered into possession of the same lease from said Trustees.

"2. That all funds turned over by the Trustees of Gilmanton Academy pursuant to the terms thereof shall be held by the Gilmanton School Board in trust, and expended for the following purposes only:

- "a. To pay all necessary expenses of such trust
- "b. To keep in repair, for school purposes, the present Academy building, or any improvements or replacement thereof on the same lot
- "c. To make such improvements or alterations in the present Academy building (or to any improvement or replacement thereof on the same lot) not exceeding \$500 in any one school year, as the School Board may consider

necessary or desirable for school or community purposes, and

- “d. To make such improvements to or alterations in the present Academy building (or to any improvement or replacement thereof on the same lot) as may be legally voted by the School District,

“provided, however, that the School Board shall make no payment under the second condition hereof until the first condition hereof shall have been complied with fully.

“If this offer is accepted by the School District, the Trustees of Gilmanton Academy shall submit the proposition to the Superior Court for approval.”

The District voted to accept the conditions presented by the Trustees and the Trustees, in turn, have petitioned the Superior Court for approval.

Painting the Academy

The School Board advertised for bids under listed conditions for painting the Academy one coat on the front and sides, leaving the rear until later because of contemplated alterations. The bids were opened on July 7, 1947, and the work completed by Donald Sharon and Son of Northfield in mid-August. The bid price was one thousand dollars.

Classroom Seating for Town Hall Room

Funds from the sale of the Potter and Gale School buildings were ear-marked for improvements at the Iron Works. Seats and desks for the larger pupils, borrowed from another school district, were inadequate for the size of the youngsters; therefore, the School Board ordered sufficient movable, combination desk-chairs with metal frames for the room in the Town

Hall now used for classroom purposes. Delivery was promised in November but the shortage of steel has prevented their receipt at the time set.

Closing Exercises

Exercises for eighth grade pupils were held at the Corner School on June 17, 1947, and at the Iron Works on June 19, 1947. The following were given diplomas:

Transportation of Pupils

The School Board sought bids on the various transportation routes covered and awarded contracts as follows:

To the Corner School: Messrs. Charles and King Little; Ford bus with Superior body, 1947; 48-pupil capacity; three-year contract—\$2520 annually.

To Iron Works School: Mr. George M. Nelson, Guinea Ridge, Brassaws, Potter District; GMC, 1938; District-owned conveyance; and his own car; one-year contract—\$1260.

To Iron Works School: Mr. Vincent T. Parker, Page Hill, Poverty Corner; Dodge, 1942; Army Ambulance converted; three-year contract—\$860.

A Child Welfare Agent of the State Board of Education has recommended, while construction is underway, that transportation be provided for a small boy living on the Iron Works-Corner road at Hodgdon Hill. Mr. Morton H. MacKenzie has been hired to carry this child at the rate of \$2 per school day.

Hearing Tests

By joint purchase, a Maico Tru-Tone Audiometer has been obtained for hearing tests in Supervisory Union No. 59. This is equipment similar to that in an otologist's office and brings to each pupil a true test of his hearing losses.

School Lunches

By concerted action of members of the Corner School PTA, excellent school lunches are being served to pupils at that school. A kitchen formerly used in WPA days has been renovated, a partition has been erected in the corridor to make a satisfactory dining room, and a long table has been made. Members of the PTA take turns in helping in meal preparation with Mrs. Elsie L. Evans in charge of the program.

"No-School" Signal by Radio

"No-School" signals will be given by radio. The closing of any school after the beginning of the morning or afternoon session will be done by announcement by the teacher in charge.

CONCORD RADIO STATION WKXL—(1450 on dial)

LACONIA RADIO STATION WLNH—(1340 on dial)

"No-School" announcements at:

7:15 a. m.

7:30 a. m.

7:45 a. m.

8:00 a. m.

Schools will be closed on account of weather only when the conditions make walking very difficult or travel by car hazardous.

The "No-School" signal may not be sounded this year or next. Rain-or-shine, storm-or-cold, the schools will be kept open, save for safety's sake.

TEACHERS*Minimum Salaries*

With greatly increased State Aid to school districts, the State Board of Education established minimum salary standard for teachers in all public schools effective July 1, 1947. The stipulations are summarized thus (see original for exact wording):

1. Teacher with less than four years of college preparation, and less than five years of successful teaching experience, not less than \$1700 per school year.
2. Teacher with less than four years of college preparation and more than five years of successful teaching experience, not less than \$1800 per school year.

3. Teacher with four years or more of college preparation, and less than three years successful teaching experience, not less than \$1800 per school year.
4. Teacher with four or more years of college preparation, and more than three years successful teaching experience, not less than \$2000 per school year.

Teachers Employed

An overload of small pupils in one room made imperative the employment of a teacher for beginners. Miss Marietta Nute, graduate of Wheelock School, tutor, traveler, and summer camp director, was employed after schools opened for a position at the Corner School.

Mrs. Zelma G. Watts, successful teacher last year at the Iron Works School, was transferred to the Corner School for this year and Mr. Theodore N. Floros who taught in the Town Hall Classroom last year became Principal of the Corner School.

At the Iron Works, Mrs. Florence M. Durgin continues as Principal. Replacing Mrs. Watts, Mrs. Dorothy H. Manley, with teaching experience in Ossipee and Tuftonboro, entered the employ of the Gilmanton School Department to teach intermediate grades.

Mr. Floros' work at the Town Hall was taken by Mrs. Evelyn Page Uhlenberg who formerly taught in New Durham and Northfield.

Miss Priscilla E. Marrotte, Music Supervisor, married in June. The position has been taken by Miss Jane R. Vogel of Manchester, formerly on the staff of the Tilton-Northfield High School, with music training at River College.

Teachers' Meetings

One of the most important jobs of administration is to provide means whereby teachers may be cognizant of changing methods, materials, and teaching. In this supervisory union, teachers are attending a series of meetings throughout the school year, particularly emphasizing "Child Development and the Curriculum." In each of these meetings, teachers take part as speakers, and a portion of each program is scheduled for voices from outside.

September 2—Visual Presentation of the Theme: "All Children are Created with Personalities," through the use of films prepared by the Yale Clinic of Child Development.

September 10—Safety and Health Education in the Curriculum. Dr. Kathleen Robinson, School Physician, addressed the subject of "Physical Examinations for All," and Safety on School Buses was shown in the film, "Priceless Cargo."

October 8—Learning and Expressing through the Arts. The main speaker: Dr. Mildred Landis, Supervisor of Fine Arts in New Hampshire.

November 5—Child Development through Human Relations and Experiences, Mrs. Ralph H. Smith, Laconia School Board member, and Rev. Paul V. Hostetter, Gilford PTA member, discussed "Parents Want School to Teach 'Living.'"

January 7—Pupil Achievement in School Studies. Mr. and Mrs. Arthur H. Erholm of Tilton, formerly connected with New Jersey Institutional work, handled the topic: "Handicrafts, A Part of School Life."

March 3—Child Development and Conservation. A Program of Conservation and Reforestation will be outlined by Mrs. Marion H. Atwood of Sanbornton and a County Forester.

May 5—Child Development and Learning Levels. Mr. Donald F. Piper, Director of Youth Services, Concord, will describe "Learning Levels in High School Subjects."

In-Service Training Program

Large industrial firms hire employees who have attended college and have a degree. Then, it provides in-service training facilities so advancement can be fairly rapid. Some of the firms at starting college graduates, men without any experience in the industry, at more than \$200 per month and, in addition, gives a training program so promotions in position and salary come quickly.

Gilmanton has not been able to secure the services of teachers all of whom hold college degrees. It has not yet provided the salary inducements to encourage teachers to study summers to obtain additional training to cope with the problems of education in these complex times. If salaries remain at present levels in Gilmanton and teachers are not encouraged to seek summer school studies, a program of in-service training with a part-time director of instructor should be provided soon.

FINANCES

Annual School District Meeting

On April 14, 1947, the School Board presented in the Town Report a School Budget of \$23,000. The District voted to raise and appropriate for the 1947-8 school year the sum of \$17,125.06.

The 1947 Legislature voted a 500% increase in State Aid. Under this legislation, Gilmanton's allotment was estimated to be \$8,138.07. A legislative requirement was that a special school district meeting be held to appropriate the estimated State Aid funds.

Special Meeting

On July 7, 1947, a special school district meeting was held. It was voted that \$3,106.07 (est.) be allotted to the reduction of taxes for school purposes and the balance, \$5,031.00 be appropriated for current school expenses. Though school costs are mounting rapidly due to increases in all types of materials and services, the original appropriation of \$17,125.06 in April was established as the sum for the support of local schools with State Aid of \$5,031.

Effect of New State Aid Bill

The immediate effect of the State Aid appropriation by the 1947 Legislature shows in a statement received early in December from the State Board of Education.

I. Equalization Aid:

One-room schools approved	× \$1800

SUPERVISORY UNION

Meeting

Gilmanton School Department was host to the members of Supervisory Union No. 59 in its November 4th meeting at Gilmanton Corner School. The PTA served a delicious meal under difficult conditions in preparation and serving, following which the evening's program and business meeting was held.

CONCLUSION

In submitting this eighth annual report, an outline of our joint efforts during the twelve months past, it is a pleasure to express appreciation to citizens, school board members, teachers, pupils, special workers, and employees in various capacities, for cooperation, understanding, industry, and success.

Respectfully submitted,

DONALD P. MATTOON.
